

# AKPONG VICTORY AKINSHEYE

Full Stack Developer

 NG  victoryakpong  akpongvictory  +234 7031517558  akpongvictory@gmail.com

## ABOUT

Dynamic Full Stack Developer with proven expertise in architecting and deploying modern web applications using React, Node.js, and PostgreSQL. Adept at designing scalable REST APIs, robust authentication systems, and responsive user interfaces, consistently delivering production-ready solutions from concept to deployment. Passionate about leveraging technology to solve real-world problems, with a keen focus on HealthTech, EdTech, SaaS, and AI-powered platforms.

## WORK

### Claims Manager (NHIA/HMO)

Hopehill Specialist Hospital

Feb 2026 - Present, Jos, Plateau State, Nigeria

Led healthcare claims processing and reimbursement workflows, ensuring operational efficiency and compliance within a hospital setting.

- Directed end-to-end healthcare claims processing and reimbursement workflows, consistently achieving high accuracy and compliance rates.
- Analyzed complex healthcare operational data to generate comprehensive management reports, providing actionable insights for strategic decision-making.
- Collaborated with multidisciplinary teams to streamline processes, resulting in improved workflow efficiency and reduced operational bottlenecks.
- Identified critical operational challenges within claims processing, inspiring and conceptualizing software automation solutions to enhance departmental productivity.

### NHIA Claims Officer (NYSC)

Parkview Family Medicine Royal Hospital

Mar 2025 - Feb 2026, Jos, Plateau State, Nigeria

Processed and managed NHIA and HMO claims, contributing to accurate healthcare reporting and efficient documentation.

- Processed a high volume of NHIA and HMO claims, maintaining a strong focus on accuracy and compliance with regulatory standards.
- Assisted in comprehensive healthcare reporting and data management, contributing to timely and informed administrative decisions.
- Supported efficient claims reconciliation and rigorous documentation processes, minimizing discrepancies and ensuring data integrity.
- Contributed to the overall operational effectiveness of the claims department through diligent processing and data support.
